School's out for the summer and students are flocking to St. Elizabeth to volunteer! Please welcome our more than **100 returning** and **120 new** high school volunteers. That's more than **220 students!** We would also like to welcome our college student volunteers! Thank you all for choosing St. E to assist our patients and staff, as well as gain experience in a healthcare setting.

Pastoral Care blessed with several new volunteers – Thanks to a determined volunteer!

St. E Volunteer Barb Lewin, a parishioner at St. Agnes Catholic Church in Ft. Wright, discovered that the Pastoral Care department in Edgewood needed more Eucharistic Minister volunteers. Determined to help St. Elizabeth provide this service to our Catholic patients, Barb placed an advertisement in her church's weekly bulletin. A few weeks later and the Pastoral Care department has been blessed with EIGHT new volunteers; all thanks to Barb!

Not only did Barb share this need with her fellow parishioners, she offered information and guidance to them as they considered this service opportunity. For each of her recruits Barb received a \$25.00 gift certificate to the St. Elizabeth Gift Shops – that is \$200.00 in shopping money!

Do you know someone who would make a great volunteer at St. Elizabeth? Refer a friend and receive a gift certificate once they begin their service.

NEW VOLUNTEERS

Please give a warm welcome to the new volunteers who joined our team in **May** – an astonishing **31** new adult volunteers!
