Why Attend the Volunteer Dinner?

Here's what is said!

- It was fun; more of a party than an award dinner.
- I am new and I didn't think I would know anyone. But I was at a table with others that volunteer in the same area.
- The food was great! I enjoyed the fun atmosphere. I was on my way home by 8. And I won the centerpiece!
- I really felt special. It was clear that much time had been put into this enjoyable evening.

Culture of Caring Donation Request

In **March and April**, we are collecting donations for new moms and babies! Our new moms sometimes do not have the supplies to care for their new baby. Items requested include packs of **diapers and wipes**. Your generous donations can be dropped off at any Volunteer Office. *There is no expectation for you to contribute, but if it speaks to you, please do!*

Volunteer Space Updates

You may have noticed some recent renovations in the Volunteer Offices and Sign-In areas. These renovations have been done to enhance your experience! In addition to a fresh look and free bottled waters, lockers and coat hooks are now available to store personal items. Each area also has a keypad on the door and a 4-digit entry number. The keypad makes this a more exclusive space, helping to ensure that the items in the room are secure for volunteers. If you do not know the entry number for your Volunteer Office, please contact us!
