

2023 Results & Information

Beyond the numbers.

Contributed more than \$92 million toward Community Benefits Programs and Uncompensated Care in 2023.

\$35,196,751

Medicare Losses

Costs absorbed by St. Elizabeth Healthcare when government reimbursements don't fully cover the cost of treatment and subsidized health services that are provided despite a financial loss.

\$22,682,231

Cash and In-Kind Contributions

Refers to contributions made by the organization to healthcare and other community organizations that support community and/or social service organizations and promote health in the community

\$4,119,503

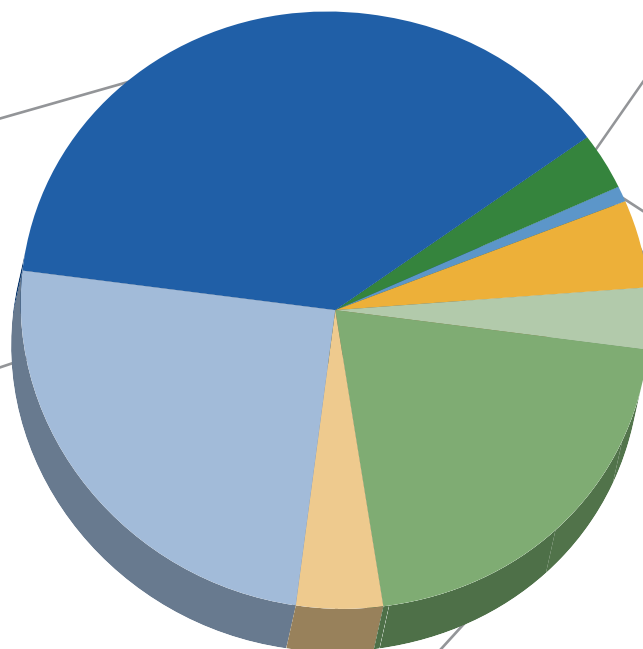

Community Building Activities

Funds and in-kind services donated to individuals or the community at large including donation of time, food, equipment and supplies.

\$19,311,927

Uncompensated Care*

The cost hospitals incur as a result of services provided to patients from whom payment was expected, but not received.

\$2,994,535

Community Health Improvement

Covers an array of community programs that focus on health education, treatment and prevention, such as health fairs, screening programs and immunization clinics.

\$678,496

Subsidized Health Services

Costs absorbed by St. Elizabeth Healthcare when government reimbursements don't fully cover the cost of treatment and subsidized health services that are provided despite a financial loss.

\$4,331,043

Health Profession Education

Training and teaching of tomorrow's healthcare professionals. This includes our Family Practice Residency, Nursing Partnerships, Radiology, Lab and other professional programs.

\$3,142,736

Traditional Charity Care

Free or discounted health services provided to persons who cannot afford to pay. In Northern Kentucky, roughly 5% of residents do not have insurance.

Community Benefit and Uncompensated Care amounts are based on the actual costs of providing the care vs. charges

St. Elizabeth Healthcare is sponsored by the Diocese of Covington. We believe that reaching out to help the underprivileged and improving the overall health of the community is the foundation of our mission to provide comprehensive and compassionate care to all.
