Proof of vaccination or appropriate documentation (described below) must be provided to the Volunteer Services office no later than December 3.

If you...

- Prefer the high dose vaccine, limited quantities are available to volunteers 65+ at Employee Health ONLY.
- Prefer to receive your flu vaccine through your physician/other healthcare clinic or pharmacy, please submit your documentation to the Volunteer Office.
- Require a medical or religious exemption, it is due by November 1. Please call your Volunteer Office to obtain the appropriate form.
- Choose to **not** receive the flu shot, you will be ineligible to volunteer from December 4, 2025 – April 1, 2026.

Employee Health Office

Monday – Friday, 7 a.m. to 4 p.m.
(arrive by 3:30 p.m. for injections)

No Appointment Needed

830 Thomas More Parkway, Suite 101 (back of building)

Crestview Hills, KY 41017

Respiratory Infection Season Visitor Restrictions

The health and safety of our patients and associates are always the highest priority here at St. Elizabeth. This is especially true during Respiratory Infection Season, when infection spread is more common. To see us through the challenges of this time of year, our annual Respiratory Infection Season Visitor Restrictions at our hospitals will begin

this Wednesday, Nov. 5:

- All persons with respiratory symptoms (cough, runny nose, sore throat, fever, and/or sneezing).
- All children under the age of 14.
- Maternal Child and Infant area restrictions vary.
- Come Wednesday, you will be able to see all updated visitor guidelines at www.stelizabeth.com.

We also ask that associates keep the following best practices in mind:

- **Helping patients:** Teach patients “cough etiquette” (covering their mouth with tissues or sleeve when coughing), explain proper disposal of tissues, and make hand hygiene product accessible.
- **PPE:** Wear protective eyewear and a mask, or a fluid shield mask with a visor, when caring for patients with respiratory symptoms.
- **Wash your hands!:** Be vigilant about hand hygiene.
- **Disinfection is key:** Disinfect frequently touched surfaces in the work area such as phones, pagers, keyboards, etc.
- **Flu vaccine:** Encourage patients and visitors to receive an influenza vaccine.
- **Protecting one another:** Remind patients and visitors that these restrictions are in place to protect our patients from potential exposure to individuals with infections.

Thank you for your vigilance in helping to keep our patients safe, and our teams healthy and whole this season.

Clothing Drive

The St. Elizabeth Women of Color Committee and The Department of Community Health and Partnerships are hosting a clothing drive in partnership with the **Life Learning Center**.

The clothing drive is in full swing Oct. 20 - Nov. 14.

Contributions will make a meaningful difference in the lives of individuals working toward self-sufficiency and success. Every item donated, whether gently used or new, professional attire or winter gear, helps provide essential clothing to those in need.

Drop off locations are below, and you can see more details about the event **[on the flyer linked here.](#)**

Drop off locations:

Dolwick Corporate Office Mission Services Suite 215

Grief Center - 483 S. Loop Rd. Edgewood, KY

The Volunteer Offices will be
closed Thanksgiving Day and
Friday, November 28

SAVE THE DATE!

CHRISTMAS WEEK IN THE VOLUNTEER OFFICES

DECEMBER 8 - 12

Comment Corner: Celebrating Impactful Moments

Dearborn

"Loved his nurse Amber. She was wonderful with him and understanding his needs. The volunteer was just as sweet bringing him a blanket, teddy bear, and stickers".

Edgewood

"A very pleasant facility. Loved the piano volunteer". Calming!

Florence

"It was extremely easy to find where I was going and also with leaving your volunteer staff is wonderful. They treated me and my emotional support animal with care and kindness. Thank you again everybody you are famously so kind and I do appreciate each and every one of you".

Ft. Thomas

"I would like to truly thank and show my forever gratitude to someone very special, who I see often in hallways of the hospital facility but never truly had a chance yet to talk with. And while waiting during this visit, I got a chance to say "hello" and "thank you" to this very special person, who happens to be volunteering at the hospital at FT. Location. I hope I spell here his name correctly but if not I truly apologize and promise to get it right the next time. So, to absolutely the best Mr. Franky, thank you so much for not only showing us a way in this maze - which can become stressful since at least to me hallways often look similar, but also for everything that you do willingly share and give - the kindness and the calm. Your smile and your calm and how positive outlook on life are absolutely the best contagious and should be because those are true and very much so needed things that makes our day and visit at the clinic so much better. Plus, you truly help us all to arrive to our locations on time or even ahead of our scheduled visit time. Without your assistance I would be more often than less lost and late everywhere. And to add how really kind you are, it is never to be forgotten and always to be remembered. We are blessed to have you as a volunteer here, and oftentimes full time really". Thank you!
