St. Elizabeth Healthcare will not discriminate against any student because of age, sex, race, creed, physical challenges, or national origin. However, certain academic criteria must be met prior to consideration for admission into the School of Medical Laboratory Science. Student selection process involves evaluating the documents submitted and a personal interview with a selected group of Student Representatives or Academic Review Board Members. Interviews for candidates that meet the admission requirements will be held following the application deadline of December 1st at 5pm EST.

With this application, please also include

- 1. Resume or CV**
- 2. TOEFL scores if English is your second language.**
- 3. Writing Sample: Essay addressing your understanding of the Medical Laboratory Science profession and why you want to be a Medical Laboratory Scientist.**

Your three (3) letters of recommendation and transcripts should arrive separately. Letters of recommendation may be submitted by e-mail.

Application deadline is December 1st, 2023 at 5pm: Application, CV, Essay, Letters of recommendation and transcripts are due by the deadline. Incomplete applications will not be scheduled for an interview. Offers for admission will be made mid-January 2024.

Please send this form, your transcripts, and Resume/CV to:
