GENEROSITY HEALS

It brings hope. It preserves dignity. It comforts sorrow. And it shapes our region into a more vibrant, resilient and compassionate place to live.

As a not-for-profit, St. Elizabeth relies on philanthropic support to build and sustain state-of-the-art facilities, equipment, services, research and programs – right here in our own community.

Generous donors have ensured a continuum of outstanding medical care in Northern Kentucky for more than 150 years. With your support, we can continue that promise.

GENEROSITY
INSPIRES

Caduceus Members of the Samaritan Society are a group of active and retired physicians who continue the St. Elizabeth tradition of excellence by providing funds for the latest medical technology, education, community outreach and capital improvements. Their dedication as healers and philanthropic leaders inspires others to recognize the value St. Elizabeth brings to the Northern Kentucky community.

Membership is a minimum pledge of \$10,000, which can be made as a one-time gift or through a multi-year payment schedule. There are several levels within the society, based on the amount pledged.

Members who fulfill their pledge within five years are additionally recognized as Henrietta Cleveland Circle members.

Samaritan Level	Total Commitment
Samaritan Diamond Society	\$100,000
Samaritan Platinum Society	\$50,000
Samaritan Gold Society	\$25,000
Samaritan Society	\$10,000

Samaritan Society members are recognized on hospital displays and in print and electronic materials. They are also invited to participate in special programs and activities, including annual appreciation celebrations.

GENEROSITY
ADVANCES CARE

Samaritan Society members have raised more than \$8 million to improve patient experiences and enhance health outcomes for our region.

As a Caduceus Member of the Samaritan Society, you will help keep St. Elizabeth at the leading edge of modern healthcare delivery. Your gift is an investment in state-of-the-art technology and equipment, enhanced services and facilities and innovative clinical education to support you and all our healthcare team in providing the best patient care and outcomes.

If you are a physician employed by SEH or SEP, you may designate your support through Vision. The Vision Campaign supports projects that make a substantial impact on the health of our community, from technology to patient experience. Plus, Vision helps associates in crisis situations with financial support through the Associate Crisis Fund.
