

TOO BUSY TO GET YOUR HEALTH SCREENINGS?

Introducing St. Elizabeth Physicians WEEKEND WELLNESS DAYS.

These one-stop opportunities provide the ability to complete necessary health screenings and vaccinations, access to counseling services, and more all in one convenient visit.

We're right here to help you take the next step toward a healthier you.

CANCER SCREENINGS

Breast Cancer Screening

- Mammograms are recommended for women every 1-2 years.
- The St. Elizabeth Mobile Mammography Unit will be offering mammography screenings on-site.
- Our staff is also available on-site to assist you in scheduling a future appointment at one of our many locations.

Colorectal Cancer Screening

- Colonoscopy (every 10 years), Cologuard* (every 3 years), Fecal Immunochemical Test* (FIT) (annually).
- *In-home test kits will be distributed on-site.
- Our staff is also available on-site to assist you in scheduling a Colonoscopy procedure.

Annual Wellness Visit

- Our staff is available on-site to assist you in scheduling your yearly well visit with your primary care provider.

Immunizations

- Available on-site: Pneumonia, Shingles, HPV, DTaP, all childhood vaccines, and Flu (September through March).

Blood Pressure Screening

- Completed on-site.

Tobacco Cessation

- A consultant is on-site to discuss your plans to quit smoking and if appropriate, schedule you for Freshstart, a FREE 4-week tobacco cessation program.

Advance Care Planning

- Our Care Management team is on-site to assist you in preparing and documenting your healthcare wishes. Follow-up appointments will be scheduled as needed.
