

It's FLU Season!

It's flu season and once again time for your annual flu shot. St. Elizabeth Healthcare and St. Elizabeth Physicians are requiring that all associates, employed providers and **CURRENTLY ACTIVE** (*logging volunteer hours*) volunteers receive an influenza vaccination this flu season. This policy has been implemented in order to protect both you and our patients as we strive to become one of the healthiest communities in America.

Influenza vaccinations will be provided FREE of charge by Employee Health and will be administered at all St. Elizabeth facilities at convenient times and dates. **Documentation of vaccination or appropriate documentation (described below) are due no later than December 2.** Failure to complete this requirement by December 2 will result in suspending your service at St. Elizabeth until after Flu season.

If you...

- prefer the high dose vaccine, limited quantities are available to volunteers 65+ at Employee Health only
- prefer to receive your flu vaccine through your physician/other healthcare clinic, you must submit documentation (including your name, name of provider, date received) to the Volunteer Office
- have a medical reason to not receive a flu vaccine; please call your Volunteer Office prior to November 15 to obtain the appropriate documentation
- choose to not receive the flu shot, you will be ineligible to volunteer from December 3 – April 2021
