

DIGITAL MAMMOGRAPHY THAT COMES TO YOU

At St. Elizabeth Healthcare, we understand that it can be challenging to find time for your annual mammogram.

We Make It Easy

Our Mobile Mammography Unit comes to organizations in Northern Kentucky and Greater Cincinnati. Screening mammograms are quick - just 10 minutes - private and convenient.

Get Mammograms at Your Location

Our Mobile Mammography Unit offers digital mammography screening and tomosynthesis (3-D mammograms) at your workplace or community center. You'll make lifesaving mammograms available to your employees or to community members who need it most.
