## Mobile Mammography Unit Schedule

At St. Elizabeth Healthcare, we understand that it can be challenging to find time for your annual mammogram.

### We Make It Easy

Our Mobile Mammography Unit comes to organizations in Northern Kentucky and Greater Cincinnati. Screening mammograms are quick—just 10 minutes—private and convenient.

### Get Mammograms at Your Location

Our Mobile Mammography Unit offers digital mammography screening and tomosynthesis (3-D mammograms) at your workplace or community center. You'll make lifesaving mammograms available to your employees or to community members who need it most.
