

FAMILY GRIEF RETREAT

REGISTER FOR OUR FREE STARS FALL FAMILY GRIEF RETREAT!

The **STARS Fall Family Grief Retreat** is designed to bring grieving families together as they navigate life after the loss of a loved one. Using nature and the seasons as the framework for this program, the retreat will offer opportunities for families to participate in meaningful activities together while also providing age-specific breakout sessions for youth, adolescents, and adult caregivers.

Following the retreat experience, families are also invited to participate in a Remembrance Tree Planting at The Mary & Jim Bunning Community Grief Support Center, immediately following the program at 1:15pm. The Grief Center is located at 483 South Loop Rd. Edgewood, KY 41017. The tree planting is being offered in collaboration with the Boone County Arboretum and Taking Root - A Regional Campaign for Reforestation.

Advanced registration is required for this program. To register, please call or email at (859) 301-4611 or stars@stelizabeth.com.
