National Registry EMT Course

Indiana TI #1501 Class (Acadis EMT 1089)

We want to thank you for your interest in our program and for your interest in public service.

Emergency medical technicians (EMTs) and paramedics care for the sick or injured in emergency medical settings. People's lives often depend on the quick reaction and competent care provided by these pre-hospital professionals. EMTs and paramedics respond to emergency calls, performing medical services, and transporting patients to medical facilities.

At the completion of this five-month course, you will be credentialed to take the State of Indiana EMT-B exam, and National Registry Exam (NREMT) Multiple topics will be covered during the course including: Medical Terminology, Anatomy & Physiology, Trauma, Cardiology, OBGYN, Pediatrics and Ambulance Operations.
